

Memory Café

Join us at The Campus for support and socialization

Hospice of the Valley's **Dementia Care and Education Campus Memory Café** creates opportunities for people living with dementia and their caregivers to connect with others in a welcoming and comfortable social setting. Care partners enjoy stimulating conversation in educational and support sessions. People with dementia experience engaging activities provided by professional caregivers specially trained in dementia care.

April and May Sessions

Each Monday from 10–11:15 a.m.

Location

Dementia Care and Education Campus
Education Center
3811 N. 44th Street, Phoenix, AZ 85018
