

# Camp Connect-the-Dots!

**For children living with a parent or grandparent with Alzheimer's or other dementias**

## Have fun!

Make new friends and learn to connect the dots of dementia! This day of fun activities will help children explore what their family is experiencing at home, while connecting with other kids affected by dementia.

## Who should attend?

**Children** ages 5-13 and **teens** ages 14-18 living with a family member with dementia.

## When?

Saturday, Oct. 22

**Children:** 10 a.m.–2 p.m.

**Teens:** 10-11 a.m. Join us for a dementia simulation and discussion to learn how to interact with family members with dementia.

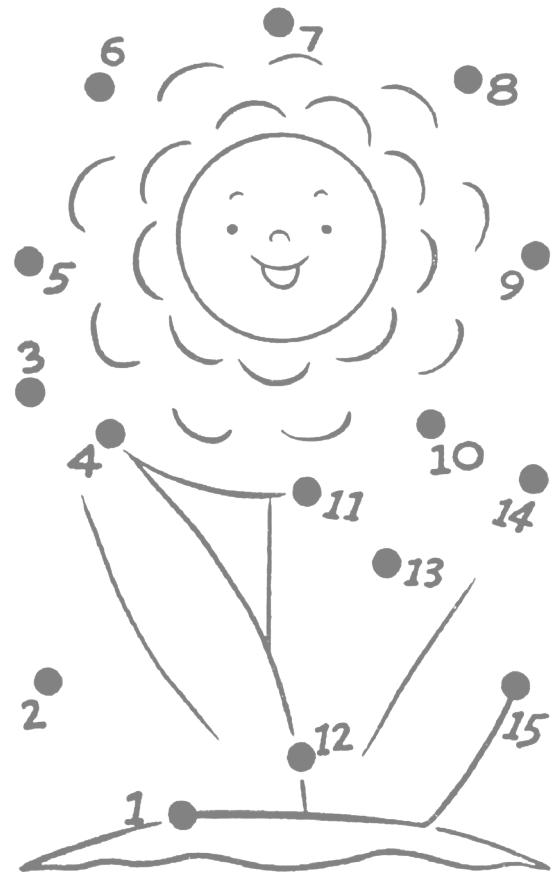

**Parents** may attend an optional workshop from 10-11 a.m. to learn how to support their children.

## Where?

Dementia Care and Education Campus  
3811 N. 44th St., Phoenix, AZ 85018  
(South of Indian School Rd.)
