

Understanding Dementia: A challenging journey

Join us to learn more about dementia and helpful resources. All are welcome to this event, provided at **no charge**.

Participants will:

- Understand dementia and how it progresses from early to advanced stages.
- Learn to develop strategies to make and maintain meaningful connections with the person with dementia.
- Further value the caregiver role and explore ways to reduce stress.

Speaker: Maribeth Gallagher, DNP, FAAN

Dr. Gallagher directs Hospice of the Valley's Dementia Program, which has received national and international awards for its innovative approaches to dementia care. She is a psychiatric nurse practitioner with a doctoral degree in nursing. Her commitment to improving dementia care was initially inspired by her own experience as a family caregiver, sharing the journey with her loved one from diagnosis to death.
