

Memory Café

Join us at The Campus for support and socialization

Hospice of the Valley's **Dementia Care and Education Campus Memory Café** creates opportunities for people living with dementia and their caregivers to connect with others and share experiences. Sessions are provided at no charge in a welcoming and comfortable social setting. Care partners enjoy stimulating conversation in educational and support sessions. People with dementia participate in engaging activities provided by professional caregivers specially trained in dementia care.

Each Monday from 10–11:15 a.m.

Excluding major holidays
